It's Ernie
it's been a long time since I've been on Facebook I had trouble even logging in to get your message. The message surely upset me. Just a few days back I thought about getting a hold of her and wishing her a Merry Christmas. I look to my old phone book for a number didn't find one. We all make mistakes and have to live with them. She was truly special to me. I do think of you from time to time stay safe be good and I will try to get back with you soon

Was sad and shocked that Aunt Linda has been going through some health issues . Rest in Peace !! Remember when was younger and would come to your house and hang out with your kids and you before you and hubby would go on date. Definitely loved her children.

My wife Arthur Terwilliger sister to Arthur Terwilliger will be sorely missed. It was a shock to learn of her passing. She had called me on the phone & said she was having difficult issues with health issues but that she would leave us so quickly was so sad
