“ I didn't have the pleasure of knowing Art for very long. During my visits with him, he spoke with much love and laughter of his children and grandchildren, often. Please know he even told a 'stranger' (Terri- the cleaning lady) how much he loves you and is proud of each of you---your hurting hearts are in my prayers.....thank you for letting me know him. Thank you more for sharing your dad with me....I enjoyed our visits, he was a very nice, kind, funny man, and I will miss him.

“ I'm sad to hear Art is gone. He was a kind and helpful co worker. Many Tenneco employees have fond memories of Art.
