“ I will forever remember Aunt Aileen's smile and kindness. As a kid growing up, going on our visits to see her in Olive hill (along with the rest of the family), she would always make you feel at home, special in every way. I always loved her and always will. Let the love and grace of Jesus be on each and everyone in her family and all of her friends. Heaven truly is a more joyful place as she joins her savior and loved ones that have made their triumphant journey.....XOXOXOXO
