“ Darlene and family, Our deepest sympathies on Art's passing. I have so much respect for Art, am so grateful for his proud service to our country, and as a valued and reliable employee. I'm so sorry we missed the services. I did not learn about them until afterwards. Our thoughts and prayers are with you. We would like to help if we can, with a donation to the family or as a memorial to Art by donating to something he'd want, such as his Amvets or VFW post. Our thoughts and prayers are with you.
