“ Chris,
My heart aches for you. Although you and I never met I feel I know you. During the years I worked with Al, he spoke fondly of you. May your memories bring you comfort and peace. You and your entire family are in my prayers. Please take comfort in knowing the Lord is with you every step of the way, even when you feel deserted. Holding tight to my memories as I know you will too. Al is one of the Good Guys.
