“ *I still remember the summer I spent at the Oberhaus farm when I had my broken leg. My mom had to work and I was unable to stay home by myself, So Aunt Alyce took care of me. Unfortunately, I ruined the recliner that I sat in all of the time to keep my leg elevated with my cast. I apologized to Aunt Alyce but she said that it was a good thing because she didn't like the recliner anyway and wanted a new one.*

*I also remember going to the lake with the family. I wanted to get into the water but I had the cast on. Aunt Alyce put a garbage bag over my cast so I could get into the lake. I had a great time in the water but the bag leaked, soaked the cast and I had to go to the doctor and get a new one. The doctor scolded me but I did not care because I got to go into the water.*
