“ *It is a blessing for Ann to have been a part of my life. Her butterscotch cookies will always be one of my favorite memories with her and I have never had one any better than hers. May peace be with her, may her family know the many people's lives she touched and may this be a true celebration of the great lady I knew!*

“ *When Grandpa and Anna would come to Carey, she would always bring a delicious treat (butterscotch cookies or her famous divinity) Polka Dances! What fun to watch them dance and try to dance myself! Grandpa could be rather ornery, but Anna had a way of keeping him under control! She was thoughtful, loving and caring! Sorry that I'm not able to make it on Monday, Heidi Putnam*
