“ *Dear Denny, my heart goes out to you during this most difficult time and you have my most sincere condolences. I will always remember Annie's birthday, because she shared the same birthday as my dad. I know that you and the "Old Timer" used to talk about that every year. I am sure that the "Old Timer" greeted her with a big hug and is praying for you and your family. Just know that you and your family are in my thoughts and prayers also. Take care and God Bless you all.*

“ *Loved working(if you could call it that) at the school with Annie..... cafeteria ladies rock! I teased her almost everyday..... told her she was older than me : ) all she would do was laugh and question me. She should trade trucks cause my GMC is better than her HEMI truck....has more horsepower than hers. The red camaro was not as fast as my VW. I loved to forget my lunch money and have her charge my lunch. I don't know if I ever saw her without a smile, a twinkle in her eye, ready to tease, but most of all to be polite, kind, and caring. What a lady! She would...with the other cooks keep me food for after FCA meetings, or scrounge food up when I would come in late to the cafe'. I really missed everyone at school when I retired....missed Annette. She beat us to heaven. "The eye has not seen, the ear has not heard, nor has entered to the heart(mind) of man the wonderful, beautiful, beyond imagination...things that God has prepared for those who love Him." Bonnie and I are praying for your guys. Denny..... thinking of you.*
