“ My friend over the last 20 some years! It started with the Beanie Babies, but continued through some garage sales and phone calls. she never missed my birthday, anniversary or all the holidays, sending cards or just calling because she felt like it! Also enjoyed her canned red beets she would always give me! She was a special friend that liked the color purple! Glad to have known her. May she Rest In Peace! 💜

“ Grateful for so many great childhood memories at the farm there with Karen... in the milking parlor, hay making, swimming in the pond and sneaking pickles from the crock in Gram's basement ;) ...through it all, Arlene put up with us kids and our shenanigans, always with such kindness, grace and love!  
God's peace to the whole family.
