“ My condolences to the family. You are in my prayers. Although it has been over 30 years since I worked with Stu I can still hear his laugh and see his smile. Work was always a little more fun and unpredictable when Stu was around.##imported-begin##Ross Shaw##imported-end##

When the pain of your lose isn't so raw I hope you take comfort in the fact that there is a heck of a good poker game going on in heaven right now. Aunt Iva and Uncle Johnny are sitting this one out while Scott has just gotten up to get Dick another beer. Hold onto your pennys, one day we'll all be back together!! “ I'll never forget Stu and his laugh and humor. He was always the life of the party or social gathering.His family meant so much to him and he was a true family man. His second love of trapshooting always made him happy and full of spunk and spirit.Because of this unusual but fun sport, my family was blessed to meet him in the early 60's. An instand bond was formed with him and my dad. Through all those years a huge friendship grew and grew. Stu will be missed by my enitre family and most of all my dad who loved him like a brother.This world has lost a fine man and Stu will live on in my heart forever.##imported-begin##Connie Curry##imported-end##
