“ My memory's from working with this wonderful woman....Bea had an extra chair in her cube and it was always occupied by someone because she was a listener, encourager, and a great person to share a laugh with...She also was quick with a complement and knew just the right thing to say if you were feeling a bit blue. I didn't see her much outside of work but the day I told her I was getting married she was happy for me and asked if she could come and Celebrate with me....She participated in everything planned and my family fell in love with her....for all the reasons that make her so special. I will keep her in my heart, use her as an example for treating people with great kindness and try to be as positive everyday just like I remember her.... Never to be forgotten and I'm so very grateful she touched my life. ❤️

“ *Bea became a supporter of Dalana Coulter when her Mother, Ellen passed August 13 2017. She and Rick, were there for me during my own grieving and were with me as I decided to remarry. When I lived in Wauseon she ran on the Fulton County Transport Squad as a EMT.*

She will be missed!

“ *My fondest memory of Bea is her laughter and her joy in her family. Attending a sporting event for St Paul Lutheran School or NHS was better when sitting near Bea and Rick because Bea's energy was inviting.*

“ *One of the sweetest friends ever. Her selfless , effervescent personality was contagious and palpable. Her smile lit up a room in her presence. Loved listening to all of us tell funny stories about our grands and all the time waiting patiently for her turn to share about her own 4 grandchildren she adored. Heaven just gained a greeter at the gate!! Love you sweet Bea*
