“ *Tom, Linda, Brett and Bethany,
My heart goes out to you with the loss of Ben. I know there's nothing anyone can say or do to ease the pain you're experiencing right now. Please know that you're in my thoughts and prayers. The memories I have mostly of Ben were from church, Sunday school and of course the Christmas programs he shared with the boys. Makes me smile.... to me, he always had that somewhat shy, yet ornery look on his face! What great times those were!! You brought him up right - the whole Behnfeldt family was always so strong in their faith. He surely has God in his heart... He's with our God now feeling nothing but pure joy and he's with all those special angels that went before him waiting with open arms. Wishing you that PEACE FROM GOD that Ben is feeling right now.... Hugs, Lori*

“ I was blessed to meet Ben and his siblings at NHS when I taught there. What great kids--each uniquely different! Even though Ben disliked literature & composition, he was an excellent student who worked diligently at his studies and always had a humorous quip about the lit being read! I recall instructing Ben many times to "pull up those shorts", and always receiving a huge smile and obedience in response! I'm sorry I will not be able to attend Ben's visitation/funeral as I'm out of town, but my thoughts and prayers are with you all. You have my deepest sympathy. And I send Bethy a huge hug. . . Come by and get a real hug soon! Nelson

“ Worked with ben at Sauders, a job we both hated..but his sense of humor got us through. He lived by my bf rich on Woodlawn ave. And brought his awesomeness to many cookouts. We knew 2 things wholeheartedly about ben....he struggled with some demons...and he loved his family. Spoke of his mom dad and 2 younger siblings a lot!

“ Dear Tom, Linda, Brett & Beth,
Gary & I are deeply saddened by the loss of Ben and disappointed to be out of town this week. We would love to be of support to you all. I will always remember him as an eighth grader. Handsome, bright with a wonderful sense of humor. I saw him several times at Clubhouse pizza and he seemed to be happy. My heart aches but I know he is in the Lord's arms. He was so good at heart. “ Thank you Ben for playing Basketball with my sons when they were younger, you took time to play and give instruction and even "schooled them" to make a great memory for my boys. My sons enjoyed seeing you play football at Napoleon and made the playoffs. Thank you.

“ We have good memories of Ben spending time at our house back in his Junior High days when he and Libbey were an "item". I remember how much he loved basketball, always wearing the team jerseys. What a polite and friendly guy. I remember hauling him and others around in my van and them listening to loud music. Such a shame.....our sympathy to all of the Behnfeldt's. May you find peace knowing that Ben is now free. Prayers to you all!

“ I was honored to photograph Ben for his "Senior" Portraits while in High School. Quite photogenic and very fun to be around. Remembering Ben as a capable athlete and a frequent guest at our home as he and Jordan traveled through high school together. He and my oldest, Josh became friends while working at Hawks together. They shared a dream of owning a pizza place. Since I saw Ben as an athlete, it was quite interesting to learn he loved cooking. As Ben's family suffers through the tragedy of losing a son and brother at such a young age, I hope they can find some solace that over the years, others will also remember Ben as a young man with hopes, dreams and a plan for a positive life. It is with a heavy heart that I learned Ben's dreams will remain just that; dreams of a young man with not enough time on this Earth to showcase the talents he possessed. May God wrap his arms around Ben and give him the beautiful life in Heaven that Ben so deserves. My sincere and deepest sympathy to all Ben's family. Hold tight to the wonderful memories, heal with time, and please know Ben will hold a place for you to embrace him once more.
