“ I would first like to offer my condolences. I am so sorry for your loss. I will keep you in my prayers. Betty was the cousin that I was closest to when I was growing up. We spent a lot of time together as kids and we actually went to high school together for two years . With the passage of time and the physical distance between us made it tough to keep up that closeness. I remember her as a person with a ready smile and a kind look in her eyes. Again I am so sorry for your loss. Please hold one another near and strengthen each other through this time. May you eventually know some peace in the midst of this sorrow.

God's Peace

“ My sympathies to all of Betty's family, especially Tom. Betty and I grew up together at Emmanuel Lutheran Church and attended Sunday School, choir, and Confirmation classes together. Plus there was Junior High and High School. I remember us laughing a lot especially when sitting in church together and writing notes to each other on the bulletin during the sermon! Special memories. God's blessings and comfort be with you all.

“ Tom, I was just told this week about Betty being so ill. I am so sorry for your loss. It doesn't seem that long ago that Betty, Sherry and I were out riding around town. I was in your wedding and came to Georgia to see you after Ryan was born. I'm sorry we lost touch. Just know that you are in my prayers.

“ You have our deepest sympathy in the loss of Betty! What a great mom and supporter of her kids; she always attended Amy's softball games and cheered her on--she encouraged Amy, the other players, and us coaches. May God comfort you in your loss with His love and mercy.
