“ I had the wonderful pleasure of working with Betty in Bellport and than the South Country Library. She was a great person, listened, and helped out she pulled a lot of weight in that library and she never complained. I still remember her wonderful shortbread at Christmas, I use to say it wasn't Christmas till Betty brought her short bread.

I am sorry I cannot pay my respects in person, I left NY State 13 years ago, and live quite a distance away.

I thought Betty was invincible, working and doing everything, it amazed me how she did it.

It was my pleasure to work with such a fine Woman. She will be deeply missed
