“ Dear Brad and family,

I was so saddened to hear this news. I often thought of your mom when I would reminisce of growing up in Napoleon. Your mom was sorta a second mom to me when we worked together at RB Heller. If I ever came to work with holes in my jeans, she would insist the next time I came to work, i should bring them in for her to sew. Of course, I obeyed.

After moving away from Napoleon, I would try and catch her working at Walmart. On a few occasions, I was lucky enough to be there when she was working. She would always run up and give me the biggest hug! Even in recent times when I was in the Napoleon Walmart, I would think of her though I'm sure she retired years ago.

I remember your mom as a very sweet, sensitive person. Napoleon won't be the same place without her. I hope you find comfort knowing that your mom's memory lives on in others as well your own.

Take care.
