“ Dear Ted and family, So sorry to hear about the passing of your beloved wife and mother. Betty and I worked together to form the first NAMI of Four County group back 1998 . She was a blessing to work with as we advocated for and encouraged family members and those dealing with Mental health issues. Her faith and love for her family was second to none. I know Betty is with Lord so we can rejoice in that , but I will continue to pray for you that God will comfort and give you peace in your time loss. May God bless you.
