“ *Bev was such a sweet lady. I got to know her from church because her and Jim were the "secret angels" for our son Tim when he was going through 8th grade confirmation. I always enjoyed seeing her and getting to talk with her. I will miss seeing her at the library. She would come in and get her books and then always ask how my boys were doing and would fill me in on her family as well. You are in our thoughts and prayers.*
