“ I really got to know Judy when my father Bill Cole was sick with cancer she helped myself and my sisters and my brother tremendously with her kindness and support. She was a one of a kind person. Heaven has received a great angel in Judy and I am sure she was received with open arms by my father shen she arrived at Heavens gate. She will be deeply missed. My thoughts and prayers are with you and your family. God Bless.##imported-begin##Clarissa Boyd##imported-end##

“ We were both shocked and saddened to learn of Judy's passing. We know how difficult it is to say goodbye, and just as we prayed for her when she was sick, we are praying for Our Lord to comfort you at this difficult time. She was a beautiful Christian witness, being able to Praise God, when times were bad. The greatest comfort we have is knowing that she's in the arms of our Lord, and will never know sickness or unhappiness again. God Bless You!!!
