“Wow! There are so many memories that I wouldnt even know where to start. I think of you dad and wish I could talk to you. The next time I see you MAN IM GOING TO TALK A LOT!!! And yes it will be a long story. My dad always use to ask is this going to be a long story (cause I have a tendancy to drag on and on) and I would say yup and he would say ok Tonya and I would like to thank everyone for their sympathys. They are hard to read but they do bring some comfort.We know how great of a person my dad was and how much he will be missed but it never hurts to hear it.##imported-begin##Lindsey Boyer##imported-end##
