“ We always remember John as the Red carnation man at Cattails... He would come up town to get the paper and then stop in and buy you the red carnation. He knew my mom years ago at Campbells before she passed away in 1972. So, I always felt a connection to him because he knew my mother. We always talked about the birds that we had at our home feeders... We will surely miss him, Sandy Schlosser @ Cattails##imported-begin##Sandy Schlosser##imported-end##
