“ My thoughts and prayers are with the Brent family during your time of loss. I worked with Dale at Safety Grooving & Grinding at the Wauseon & Napoleon locations and he was one best bosses I have ever worked for. He was always willing to take the time to teach you the business and patient to explain the details. He was also an understanding friend. He always spoke passionately about his wife and family who were so dear to his heart. I am thankful for the time he shared with me and wish his family peace and comfort to go on without him.##imported-begin##Laura Brown##imported-end##

“ Jane, Peter & Karen â€¦ our prayers are with you. Weâ€™ve been half a world apart for 30 years â€¦ 20 of which were thanks to the US Army. I remember playing Star Wars with Peter in Graham OK â€¦ and our family reunion there some years later. Now reading about the Brent family in Napoleon â€¦ I hope there will be as many good things to say about the Brent family that has settled here in Ariton Alabama now â€¦ but Iâ€™ll never get there in bowling â€¦ Dan Brent.##imported-begin##danny Brent##imported-end##
