“ Of this I am certain...our loss is heaven's gain. Those of us that were graced with Gloria's presence in our lives were very lucky, and we can honor her by letting the light that she brought to us shine through to others just like she did. All we have to do when we're feeling sad is remember the look on Gloria's face whenever she thought of her children or grandchildren...if that couldn't brighten a day, nothing could!###imported-begin##Anne Howard###imported-end##
