“ I remember Evelyn teaching my two sisters piano. I remember working for her Dad and Mom and thinking in my young age ,what a kind and loving family.I always loved to hear her play the organ and I remember her playing in the EUB church and Jewel Pitman directing the choir. Those are fond memories that I will never forget. We will pray for you and lift you up to the Lord. We are truly blessed that you shared your God given talents with us. “ Dear Fred & family, We are so sorry for your loss. We all have missed you so bad the last few years. You were such a big part of our lives since we were children. I remember where I sat in the old church and where your family sat. I remember how much I loved the music Evelyn played and how I wanted to sing so bad. I was so excited to finally become a member of the choir when I was in junior high. She was a great and wonderful mentor to all of us at the church with her dedicated service. We have you in our prayers and want you to know we love you. God Bless. Paul & Betty Mowery##imported-begin##Paul & Betty Mowery##imported-end##
