“ *Jaime and family, I'm sorry to hear of Carlton's passing. I have such lovely memories of being a young horse-crazed little girl, hanging around the barn and riding after school at your arena. Carlton was always joking with me and just generally a sweet man. He was a great role model for me around the horses, teaching me both a healthy respect and a joyful delight being your Percherons. I'm thankful that I had the opportunity to stop in and visit with him last year when we were in Ohio. I'm sorry for your loss. Erica Damman*

“ *The first time I ever met Carlton, I was at a weekend OQPA show in Sidney. My truck battery died. He offered to give me a jump. It happened 2 other times that weekend. Jamie and Tyne were equally amazing, The whole family went out of their way to make this SOQPA lady feel welcome at the OQPA show. I think that was 5 or 6 years ago. From that time on, whenever I saw Carlton, he greeted me with a smile and a hug. What an amazing man! My prayers go out to Jamie and Tyne. My heart is so deeply saddened by your loss.*
