“ Ed & Kelly and family,
You have our deepest sympathy! May God
comfort you, knowing that she is in a far
better place than we are. We hate to see
them go, but we don't want them to suffer any
longer either. God's peace be with you.

“ Ed, Kelly, Matt and family, Our hearts are broken that Carolyn is gone but you know she is in Heaven and not suffering anymore. Knowing that, it's still very hard. We had such fun times together and we will never forget them. I know that you all were so special to her and you have to try to remember all the special times that you will treasure your whole life. We did so much laughing when we were together. We'll always remember her great smile. We love all of you!! God's Blessings! 🙏

“ So sorry to hear that Carolyn has passed, one thing I'll always remember about her is how she always spoke her mind, I'm the same way we just figure if it needs saying say it.lol but she was definitely a great mom and wife. When I was just a sprout I remember her working for Brondes and doing those TV commercials with those funny skits. She was a good aunt and will always hold a special place in my heart.
