“ My condolences to Jim and her family. Carolyn was one of my parents best friends and I grew up knowing that laugh and the way only she could put my dad in his place. After my mom passed, I'm not sure I could have gotten through it without her and Jim's help. Our beach trips they took with us and my mom, Carolyn and I had girl time on the beach. Memories I'll hold on to forever. She hel a very special place in my heart and will be so greatly missed.
