“ Mrs. Labie was my favorite teacher so far in school. We both loved talking about dinosaurs and fossils together. I am really going to miss her because she was a great teacher. The rest of the school year won't be the same without her :(

“ Kip, Dave and I wanted to let you know how sorry we are to hear of Cathy's passing. While we only met her a couple times, she seemed to be so genuinely nice. You and your family are in our thoughts and prayers.

“ Cathy had the biggest heart towards everyone she knew, she loved teaching her students to do the best that they could do and to smile each and everyday. She loved her animals like they were her kids as we all just smiled when she added another one to the family. Thank You, for being that special person in my brothers live, and his family.
