“ *What a shock to hear of Charlene's passing. We were always Charlene 1 and Charlene 2; but to me she was always Charlene 1. So many memories of getting my feet massaged but mostly talking, sharing with each other. What a compassionate, loving person she was. Our last time together was going to services and just enjoying being with her. It is a lose of a special friend, heaven has welcomed it own. We know she is praising with her whole heart the Savior she so cherished. May God bring comfort to each of you this day and days ahead.*
