“ To the family of Charlie Morris; Our father worked with Charlie on the B & O and CSX Railroad retiring in 1987 after 40 years. My brother and I remember him living on the corner of Breininger and Jericho Roads, outside of Hicksville in the early 60's. Our father considered Charlie a good worker and friend. You have our condolences.

“ *Olivia Westhoven and I always rode past his place on our horses. We always asked permission to ride in his fields. Liv was afraid of him at first for fear he would get mad at her for riding. As time went on she looked forward to stopping to talk to him as much as I did.*

I know from being at the nursing home so much with Mrs. Morris what a special bond this family has. You all were very blessed to be together for so long. Love to all of you wonderful folks.
