“ *You have our deepest sympathy with the passing of a wonderful lady. Cheryl was the most outgoing person full of joy and showing her faith in everything she did. I'll never forget the Romanoff Christmas parties where there were 8 of us that sat together and became known as the Henry County Mafia. So much fun. Long time ago but will never forget the great time we had together. Will miss seeing her, her smile and her wonderful laugh. Love, Mike and Lynn Hoops*

“ *From cheerleading, band, to every weekend our wild child days were filled, including wrecking your parents car. We went through break ups, spending the night at each other's house, wide leg jeans and 4" heels. If you whooped I hollared. If you made me laugh I made you laugh more. One crazy idea led to another. You listened to me when my son passed away, and I was looking forward to this Summer visiting your new lake home. I don't wanna miss you Chery, so let's have one hellava party when I see you again. All my love and heart to the boys, Georgie, family, and friends. May her strength and love be with you all.*

I'll never forget all the camping trips our families took when we were young, and the sleepovers camping out in the yard so we could bong Walberga's sign!! Lol you will be missed by many! May God's love and grace help your family through this rough period. I know you will be up there playing cards with your dad and mine!! Until Later my friend!!

“ I remember Chery putting Fleetwood Mac's album "Rumors" on the stereo and dancing to the song "Second Hand News" at Tina Swary's class play cast party. I remember when Chery was one of the football cheerleaders and they did a great routine to a song by Bread entitled "Mother Freedom". I will always remember her, all of the laughter over the decades, seeing and talking to her at Tina Swary Botjer's wedding reception and at our class reunions, her treating me to lunch at Spengler's when I came back to Ohio for a visit, sending holiday cards, her thoughtful and heartfelt words to me when my dad passed away, and her kindness to me. She touched so many lives and is loved by many. I am thrilled that Chery, Tina, Debbie and Linda got to go on that trip to Italy together. It was wonderful that they shared their photographs with us on a daily basis. It sort of felt like I was with them vicariously. I do sincerely hope that I find her again some day in another life from now. I would recognize that laugh anywhere. Rest In Peace, my cherished friend. Love and light until we meet again.
