“ Just heard , seems like yesterday we were getting the other third grade kids in trouble with Mrs. Nederhiser . And not long after that Clare sold me my first rifle ,I won't say where the exchange took place or the transportation arrangements.I was fortunate to see Clare recently and share some memories.I do regret never thanking Clare for his service to our country,He will be missed.

“ Sending sympathies and condolences from Kelly Tobias and Ernie and Sue Tobias. We lived around the park in Holgate and our property was shared by the park. Clare always kept the park mowed and our town neat and clean. He was always out doing something in town, waved or stopped to chat. He will be truly missed by everyone in our small town. RIH and peace to his family and friends.
