“ I send my prayers to the family. I have found memories of Pastor and think of him as a great mentor for me at that time in my life. I regret not being able to tell him, but I like to think that he already knew since he was always (quite a few) steps ahead. “ Jane and Family, Pastor Claussen made a big impact on my spiritual development during my teen years at Nazareth in Chatfield. Many of the lessons learned are those that I carry with me today in my teaching career. I also remember almost the entire narration of No Greater Love cantata after listening to him narrate over and over with so much feeling. Praying that God will hold you in his hand and the Holy Spirit will give comfort and peace. Blessings on your family. Thanks for sharing your husband and Dad with Nazareth so long ago. “ Dear Jane and Family, Pastor Claussen is the first pastor I remember growing up at Bethlehem. My dad, Jim Knape, was a deacon at the time and we would sit in the back pew. During the last hymn when pastor would walk to the back of the church, he would always look over, wink, and smile. He, of course, took his time down the isle as he walked with his cane. Our next pastor, Rev. Knigga, threw me when he could speed down the isle during the last song. I remember thinking he did it wrong by not taking his time and looking over. I smile when I think of Pastor Claussen. Kristina Behnfeldt and I would always make a point to visit him at the fair. He will be missed. Please accept condolences on behalf of me and my family.
