“ I wanted to share my sympathy and memories about Dottie (and Bruce) Cunningham. I took care of Bruce after his stroke. I really felt like part of their family. I was there every day. I have sent Dottie a Christmas card every year since then. The last card came back to me and I assume now that she was at the Lutheran Home. I have to share a memory with you. When I took care of Bruce in 1987 he told me he was going to make a potion in his magic urinal and put a spell on me. I was going to have a baby and it would be a boy. Dottie put her hands on her head and just shook. I think it was laughter and embarrassment at the same time. I told Bruce that this was not going to happen. I probably wouldn't have kids for a long time. I hadn't been married very long. Well as crazy as it sounds Bruce was right. I had a baby and it was a boy. I will never forget that!!! That baby will be 21 in June and he has 2 babies of his own!!! I will also Never forget Bruce and Dottie Cunningham-- my 2nd family. She will be missed. Dottie and Bruce are together now and smiling again!!!##imported-begin##Julie##imported-end##
