“ To Jo's family, Walt, Sandy and Kathy; just saying the names brings back so many memories. Roller stating in the garage, waiting for Jr. to pick up Sandy (free gum) and for your Dad's Saturday morning back of truck rides (long way around) to the store. What fun we all had. Still my favorite neighbors in the world. I wish I could be there for the memorial. To each of you, I know how she will be missed and my sympathy. To Jo's husband and family, I have never had the chance to meet you, but knowing Jo you are wonderful people. My deepest sympathy to each of you.##imported-begin##Vicky Kieffer Dannenmueller##imported-end##
