“ Thank you grandma for all the great times we shared together. Your fried chicken gizzards, the county fair every summer, camping with John, Jason, and Dana in the camper at your and grandpa's house, and all the times you and grandpa took us up to Canada to go camping, and my favorite of all, tricking uncle Genie into eating a bar of soap. You are and always will be an amazing woman, someone I always looked up to. You and grandpa help mold me into the person that I am today and for that I am forever grateful. I will miss you dearly!
Your grandson,
Rob Joel
