“ Dawn would ride her bike by our house several times a day and ring the bell all the way past. We went swimming in your pond together. She always remembered me when ever we saw each other in Napoleon. Her laugh was contagious.

Dawn always made me smile. She was always kind and loved to chat. I enjoyed each time we were together and I will cherish the summers we worked together at Hope School. Her infectious laugh I can still hear. Prayers to her family and friends. She will be greatly missed!!! ❤️
