“ *My deepest condolence goes out the the Gamble family. I remember Donald as a loving man who always put a smile on my face with his daily jokes. Even though I have not seen him in years, I still carry all the memories with my Ohio family. May his soul rest in peace.*

“ I will always remember how he would joke and clown around when talking to him. I remember a few times I would tell him I loved him and he would always come back with... "Well you better!" He has touched many lives with that big heart he had. We are all blessed to have had him in our lives. He will always have a special place in my heart.
