“ *Very proud to have served with Jim on the Local 211 Education Committee in the early 80's on the 211 Report. We actually won a national recognition for Union Journalism the first and only time ever. Jim was a solid friend and mentor with a treasure trove of wisdom and experience you often had to coax and sometimes swallow hard when he gave you EXACTLY what you asked for. I'm sure he felt closer to the hounds. Ha ha. I will always remember him fondly.*
