“ *My dear Donna, I thought of you often and should have called. You were there for me and my little boys in a time of need many years ago, and I could never forget your love and kindness. I know you are now resting peacefully in Heaven with your wonderful family and pain free. To Mike, your wife was the best friend I could have asked for and wish I had lived near so I would have been able to visit her throughout the years. I know how much she loved you! “ We will always remember Donna's thoughtfulness and kindness, especially at the holidays. Can't forget her antiques either. But most of all we will remember her courage in the face of challenges and pain most of us will never know.

RIP Donna
