“ As I remember Donna from our days at Liberty Center Elementary, she was always pleasant and smiling. I can't ever remember seeing her in a bad mood ( that's rare for a teacher of small children!). She could always be counted on to join the pranks and fun before and after the school day. I seem to remember some desk drawers wired shut and chair legs wired to the desk of a colleague!

*I'm sorry to hear of Donna's passing. My condolences to Will, Beth, Doug and their families.*

“ It is only fitting that I reveal the wonderful gift of a lasting, loving, and compassionate friendship that Donna gave to my sister Dolores.  
That friendship spread to our entire family in which I am so thankful. I will always remember that little contagious laugh, the twinkle in her eyes, and that loving smile.  
Donna was truly a gift from God to everyone that knew her. I know she will be there with loving arms when we see her again.
