“ Dear Uncle Paul and Family,

I just learned that Doris had passed from my sister and wanted to tell you all that my thoughts are with you. Her life journey is now finished. I know things have been difficult for some time. None of us gets to choose our exit strategy, we leave that up to God but we all know she is at peace and certainly in a better place. My thoughts and prayers are with you. I can say that you have always meant a lot to me and if my Dad were here he would say as much or more.

“ Dear Uncle Paul- Thinking of you. You two were always very kind to us and I have a fond memory of when I stayed with you when Mom and Dad were out of town. As I remember you were very supportive, as this separation was hard for a little kid from Napoleon. Much Love, Jerry and Anne Marie
