“ I loved Dwight's smile - infectious. To me, he seemed very quiet, but I was not around him like others were. He was a happy soul. His caricature drawings always had Dwight as part a part of them. A great talent.

“ I met Dwight on FB through Soaring Arts. My niece, Becky Eddington lives at Filling Home. Dwight had the best smiles and such artistic talent. He always brightened my day. May Got bless all his family and friends during this time of grief. Dwight will live on through his art and in our most precious memories.
