“ To Betty Eiseman, Unfortunately, I will not be able to attend Dad's memorial on Monday; however, I want you to know how much I appreciate all you've done for him and my family over the years. I know that there were many times that family got in the way of your relationship, but you always held firm and kept things in control. You were always good to him and gave my Dad as good of a life as he could have wanted. Thank you for spending 38 years with him and us. If there is ever anything that I can do for you, all you have to do is ask. Love you, Jim##imported-begin##Jim Eiseman##imported-end##

“ My thoughts and prayers are sent to you and your family. I was previously the Unit Secretary at Blanchard Valley Dialysis where Wes received treatments. The minute the man would roll in the door he would shoot me a wink and it made my day!! I enjoyed listening to his stories and laughing together. He was a gentle soul who I adored greatly.##imported-begin##Melody Niese##imported-end##

“ Dad-Thank you for all of the years of loving us and supporting us in our decisions that we made (like moving many times) despite the fact that we knew you wanted us to stay close to home. We did miss a lot over the years and wish we could've spent more time with you. We always knew though how proud you were of us and of the life we chose. We know that you are at peace now and that Grandpa and Grandma are so happy to see you! We will all be together again some day.All our love, Jim & Marcia###imported-begin###James & Marcia Eiseman###imported-end##
