“ Beth,
I will keep you in my heart always. I am going to miss our calls while you drive into work. I am going to miss your laughter, your kind words and all your motherly advice. I will cherish every memory we have had. Thank you for teaching me to be a better nurse, friend and mother. Thank you for always being there for me and my family. You were the best listener, a best friend and a mom to me. I will continue to pray for Larry and the rest of your family that God will wrap them in his arms and lead them out of darkness and sadness. You will be missed my friend Fly High and I will see you again someday.
My deepest sympathy,
Jody
