“ Ernie was my best guy. I cut his hair on our front porch. We danced at the prom. We sang Beatles songs long into the night. We dressed up in silly costumes and went out about the town on Halloween. He was an amazing artist and inspired me. Sending my deepest sympathy to his family. I pray for your peace of mind.

“ *He was a sweet little boy when I first met him. He was the ring bearer for our wedding. May he be in God's hands resting and without a care in the world. We are all important in this world and I'm glad Ernie had such good friends.*

“ *Ernie will be missed in the Madison community. He was a kind and thoughtful person always asking how others were doing. His smile and twinkle in his eyes came from such a positive and hopeful spirit. I work at a downtown Madison church and knew Ernie thru my work there and in previous work. Ernie's spirit lives on and it is my hope that his family may be comforted by the knowledge that he was well thought of and cared for as a member of God's family. Brother Ernie will be missed and may his spirit live on in all of us in thru grace, hope and love.--Karen Andro*
