“ Nancy,

You and Gene were among the most faithful worshipers at St. John. Hardly a Sunday would go by when I would look up into the balcony and see the two of you sitting there ready to worship God. Now God has called your loved, Gene, to have a front row seat with Him in heaven. In the midst of our sadness we can be assured that God cares for each of us, for you and your family and for Gene. You've been wonderful friends for almost 40 years. Marcia and I treasure the many, many times we were together for a variety of occasions. May God now give you the strength of faith and the sustaining power of His presence to see you through this next step in your life as you say goodbye to a very, very dear companion.
