“ Gary, Ben and I were so saddened to hear of Florence's passing. We are comforted by the fact that we were able to visit with her in August. She was an amazing woman that supported her family and others daily. She was a dear, loving Aunt to me and her love is filling a hole where we are sorrowful. We are sorry that we could not be at the funeral. We love our cousins and know that they are going through a very hard time accepting her loss. God Bless Florence and the Seedorf Family.
