“ *I am so sorry to hear of the loss of Lois Mae. I will always remember her as a lady who enjoyed life to its fullest. She always liked to have fun and I'm sure your families will share many fun memories of her. I will never forget her and Ed would always tease me about a picture they had of me sitting on a potty chair. They told me they would put it in the senior year book. I will have to dig that out again. I know you will all miss her but you have many wonderful memories to share. She is in a wonderful place now. I'm not sure if I will make it to the funeral but I will be thinking of your family today. ~ Love, Cindy##imported-begin##Cindy (steingass) Buckland##imported-end##*
