“ Dearest Susan, Brad and Julie, Words just cannot begin to describe how I felt being so warmly welcomed by all of you Sunday. My memories of our years together as a family are very dear to me. I love you all so much and to me you will always be my family. Mom was so happy to see all of you and your families. She, too, has such wonderful memories of each of you growing up. The years have been very kind to all of you. May God continue to bless each of you and your families always. I have good memories of your father and I will treasure them always. He is without pain and discomfort now. We must rejoice in that and be happy for him. My love to you all.Rose##imported-begin##Rose##imported-end##
