“ Dan, Roger & Families, We send our condolences and prayers that God will comfort you at this difficult time. It is so hard to loose parents, like a piece of you is missing. There are so many good memories of when we were young and our family spent time together especially at Grandma Minnie's house. Remember the pepper games with them pounding on the table? Your Grandpa Fred was good at that! What about all that German that we couldn't understand! Even as a small child I knew that your mother was very talented and special. May God give you wonderful memories and peace. Jim & Betty(Meyer)Kerr##imported-begin##Jim & Betty (meyer) Kerr##imported-end##

“ Reg, Michelle & family: My Mom called yesterday afternoon and shared with me the news that your Mother had passed. I'll always remember her as I was lucky enough to have her as a 1st grade teacher but also 5th & 6th grade too. She was a wonderful teacher and a fantastic person who definately made a positive difference in the short time she was on this earth. An Earthly Angel went home to her reward. May God continue to comfort you in this sad time.###imported-begin##Lois Hohenbrink Ewald###imported-end##

“ Roger, Dan, and other members of the family, My mother called me this evening to say that Pauline had passed on. I am very, very sorry to hear this. I so admired your mother as someone who was able to persevere through all kinds of adversity. I clearly remember the many the times I saw her at your Grandpa Kruse's farm, the many times after that, and I especially remember, just like it was yesterday, talking to her at her home up town just a few days before she went to Texas for her heart operation. I'm sure you take comfort in the fact that she was blessed with many, many good years after that. I see that Pauline's birthday was the same date as Natalie's-- January 26. I see also that this is also the day she passed away. May she rest in peace. It truly seems like the end of an era. Tom Stober###imported-begin##Tom Stober###imported-end##
